New Jewelry Store Open In Terminal A

Just in time for the holidays, Forever Silver by Erwin Pearl is now open at Sacramento International Airport. This exciting new store features high-end fashion jewelry, from Cubic Zirconia earrings to mens' cuff links to the latest styles of bangle bracelets. For a preview of Forever Silver's products, visit www.erwinpearl.com and click on "enter Forever Silver."

Forever Silver is located on the upper level concourse of Terminal A and is open to all ticketed passengers. It is the first of several new retailers opening this holiday season. Butter London, a manicure/pedicure store, and Brooks Brothers are coming soon to Terminal A. Travelmart, a travel supply store, will open in Terminal B2 by the end of the year.

Holiday Travel Tips

Thanksgiving week at Sacramento International Airport is underway, and airport officials are recommending that passengers plan ahead when traveling this week. The latest projections show that Wednesday, November 21 and Sunday, November 25 will be the busiest days of the week, with approximately 40,000 passengers expected on both days.

To help passengers cope with holiday travel the Transportation Security Administration (TSA) released a new set of travel tips, called SimpliFLY, this week. TSA recommends packing neatly and organizing carry-on luggage in

layers. For more details on the new tips, including video demonstrations, visit www.tsa.gov.

Sacramento County Airport System offers links to TSA and all Sacramento Airlines on its Web site at www.sacairports.org.

To help travelers enjoy the holiday season, Sacramento International Airport offers the following tips:

- Arrive in the terminal at least 2 hours prior for domestic flights (2.5 hours prior for International flights).
- Obey all traffic and speed limit signs. Do not park or stop on airport roads.

- If you are picking up or dropping off passengers, park in the hourly lots free for 30 minutes.
- If parking at the airport, lock your vehicle and do not leave valuables in plain view.
- Pack liquids, gels and aerosols in checked baggage.
- Pack electronic equipment, including MP3 players, laptops, and cameras, in your carry-on luggage. For carry-on luggage, follow the 3-1-1 rule. Each passenger can bring one clear quart-size zip-top bag holding 3 ounce or smaller containers of liquids or gels.
- Check your airline's Web site for information on luggage restrictions.
- Call ahead to your airline for the latest flight information, in case of delays or changes.
