August 1, 2022

TO: Prospective Passenger Boarding Bridge Inspection, Operation and Maintenance Service Providers

FROM: Sherrie Antonio, Airport Economic Development Specialist, Sacramento County Department of Airports

SUBJECT: **Passenger Boarding Bridge Inspection, Operation and Maintenance Services Sacramento County Department of Airports**

I. SUMMARY AND BACKGROUND

The County of Sacramento (County) is the owner and operator of Sacramento International Airport, hereinafter referred to as "SMF". The Department is soliciting proposals from qualified contractor firms (Contractor) to provide inspection, operation and maintenance services for all Passenger Boarding Bridges (PBB) at SMF.

The selected Contractor will enter into an Agreement for PBB Inspection, Operation and Maintenance Services (Agreement) with an initial term of ten (10) years, and one (1) option to extend the term for five (5) years, for a possible total term of fifteen (15) years.

The proposals submitted will be made part of the Agreement awarded from this RFP. Any Agreement is subject to provisions of Executive Order 11246 (Affirmative Action to Ensure Equal Employment Opportunity) and to provisions of Department of Transportation Regulations 49 CFR Part 23 (Disadvantaged Business Enterprise Participation).

The Department reserves the right in its sole and absolute discretion to choose or reject any or all proposals either on the basis of evaluation of the factors listed in the RFP or for other reasons deemed appropriate. All costs associated with submitting a proposals shall be borne solely by the proposing Contractor(s) and will not be reimbursed by the Department.

II. PROJECT PURPOSE AND DESCRIPTION

The purpose of this project is to enter into an agreement with a qualified Contractor to provide PBB inspection, operation and maintenance services (as detailed in Section IV – Scope of Work) to all of the Department's PPBs at SMF.

III. CONDITIONS

A. FAA GENERAL CONTRACT PROVISIONS FOR SOLICITATIONS

The Contractor shall, at all times during the term of the Agreement, comply with the provisions, of the "FAA General Contract Provisions for Solicitations" (FAA Contract Provisions) and any subsequent revisions, updates or amendments hereto. A copy of the current FAA Contract Provisions is provided as Attachment 1 to this RFP.

B. DISADVANTAGED BUSINESS ENTERPRISE (DBE)

The County of Sacramento encourages all business, including those owned and controlled by one (1) or more socially and economically disadvantaged individuals that can provide the desired services, to submit their proposals. If you are currently certified as a DBE, please include a copy of your DBE certification letter along with your proposal. This information will be used for DBE utilization tracking purposes only. If you are a business owned and controlled by one or more socially and economically disadvantaged individuals and you are not currently certified as a DBE firm, but wish to receive information on how to become certified, please contact the State of California, Department of Transportation, Civil Rights Program at either 916-324-1700 or 866-810-6346. You may also visit the following website: <http://www.dot.ca.gov/hq/bep/index.htm>

C. DEPARTMENT'S RIGHT TO NEGOTIATE AGREEMENTS

The Department reserves the right to negotiate Agreements with companies outside of the RFP process, even if such companies did not participate in the RFP process.

D. AMERICANS WITH DISABILITIES ACT

The Department is required by the Americans with Disabilities Act to make all of its public meetings accessible to persons with disabilities.

E. CALIFORNIA PUBLIC RECORDS ACT

Notwithstanding any other claim of confidentiality or assertion that information is proprietary in an entity's submission, any entity submitting their proposals acknowledges that Sacramento County is subject to the disclosure requirements of the California Public Records Act (Government Code Section

6251, et seq) (CPRA) and that any documents provided by Contractor to the County will ultimately be considered public records, as defined in Government Code Section 6252 subject to disclosure under the CPRA, provided, however, that County shall give written notice to the entity at the address included in its submission of any request for the disclosure of such records, together with a copy of the CPRA request. If the entity does not consent to such disclosure, then the entity shall have five (5) days from the date it receives such notice to enter into an agreement with the County, satisfactory to the County Counsel, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by County in any legal action to compel the disclosure of such information under the CPRA. The entity shall have sole responsibility for providing the defense against disclosure of such documents. The parties understand and agree that any failure by the entity to respond to the notice provided by County and / or to enter into an agreement with County shall constitute a complete waiver by the entity of any rights regarding the nondisclosure of such documents and such information shall be disclosed by County pursuant to applicable procedures required by the CPRA.

Without regard to the foregoing, it is the County's policy that responses submitted by Contractor are public records once a recommendation from the selection committee has been made to the County Board of Supervisors (Board).

F. TAXATION

Contractor shall cooperate with the County in all matters relating to taxation and the collection of taxes. It is the policy of the County to self-accrue use tax associated with its contracts. The use tax which is self-accrued will be remitted to the California State Board of Equalization designating the County as the place of business for the purpose of allocating local sales and use taxes.

G. NO CONFIDENTIAL OR PROPRIETARY INFORMATION

All information given to the Department or the evaluation committee in any correspondence, discussion, meeting or other communication before, with or after submission of a proposal, either orally or in writing, will not be deemed to have been, given in confidence and may be used or disclosed to others for any purpose at any time without obligation or compensation and without liability by the Department of any kind whatsoever. Under the laws of the State of California and the federal Freedom of Information Act, a proposal submitted may be considered a public record after the selection of a Contractor

and execution of the Agreement and, will be available for inspection and copying by any person after award of the Agreement. Evaluation scoring forms used by the evaluation committee are likewise considered public information subject to the California Public Records Act (California Government Code Sections 6250 through 6276.48) and the federal Freedom of Information Act, and will be available upon request after execution of an Agreement for services pursuant to this RFP.

IV. SCOPE OF WORK

The Contractor will be responsible for:

A. EQUIPMENT INFORMATION

1. The Sacramento County Department of Airports (Department) currently owns a total of thirty-two (32) PBBs, from multiple manufacturers, seven (7) are modified JBT Jetway, twelve (12) are Thyssenkrupp and thirteen (13) are Ameribridge.
2. All PBBs have 400Hz ground power as well as Pre-Conditioned Air (PCA) units, bag lifts, slides, stairs, and potable water cabinets.

B. DEPARTMENT FUTURE PLANS

Within the term of the Agreement, it is expected additional PBBs will be added to the operational scope while other PBBs will be replaced at the end of their lifecycle.

C. PRE-INSPECTION OF EQUIPMENT

The Contractor shall within thirty (30) days after the service start date, perform an inspection of the existing PBBs and assess the condition of all equipment covered under this specification to establish a condition baseline. The inspection report shall identify all operational and performance deficiencies of each piece of equipment to include an assessment and review of all manufacturer specific maintenance manuals to determine accuracy. The report should also include an all PBB parts inventory assessment. Following review and corroboration by the Department, the inspection report shall serve as a starting point for the Contractor to provide ongoing corrective and preventative maintenance. The report shall identify all deficiencies the Contractor claims exist and recommend a priority to correct each. A draft copy of the inspection report shall be submitted to the Department within five

(5) business days of the inspection completion date and the final report shall be submitted to the Department within fifteen (15) business days of the inspection. The Department will determine the manner in which each item will be addressed, and additional inventory items will be ordered.

D. COMMENCEMENT

The Contractor will begin its operation and maintenance (O&M) services on an agreed upon date for all Department PBBs and upon commissioning of any new PBBs. The Contractor will participate in the commissioning of the new PBBs to discover installation issues and give submissions for the discrepancy/punch list. The Contractor will not be responsible for punch list items after each PBB is handed off to Department. The Department may enter into a separate agreement with the PBB manufacturer for the Contractor to perform warranty work.

E. RESPONSIBILITIES OF CONTRACTOR

1. The Contractor will be responsible for the maintenance and continued in-service profile for all Department owned PBBs, plus all auxiliary systems relating to the PBBs including, but not limited to: all 400Hz units, 400Hz cable hoist PCA units, PCA hose trolleys, wheelchair lift assemblies, PBB stairs, potable water cabinets and bag slide assemblies. All PBBs and their subsystems will be maintained to like new condition, meeting all of the original manufacturer's specifications in operation, parts, and capabilities.
2. The Contractor will be responsible for scheduling and performing all preventive maintenance and corrective tasks as well as all non-scheduled maintenance tasks. Taking a PBB out of service for maintenance will be scheduled/coordinated through Airside Operations Office and the Resource Management Office.
3. The Contractor will be responsible for responding to and rectifying all fault conditions whether from wear and tear or caused by operational error by airline personnel throughout all operational periods. From the time of the notification, the contractor has five (5) minutes to arrive at the PBB and begin making repairs.
4. The Contractor will be solely responsible and accountable for employees including; interviewing, hiring, training, disciplining, obtaining airport security badging including federal security area

(FIS), parking, taxes, salaries, benefits, etc.

5. The Contractor will be responsible for maintaining twenty-four (24) hour a day, seven (7) days a week contact with the Department though the use of a mobile phone as a primary method and by email as a secondary method of communications.
6. The Contractor will have a certified Heating, Ventilation, and Air Conditioning (HVAC) technician with at least three (3) years of experience working as a certified technician on staff, at all times.
7. The Contractor will be responsible for writing and submitting all required or requested daily, weekly, and monthly status reports to the Department.
8. The Contractor will be responsible for accurately recording and maintaining a spare parts inventory in which the Department is responsible for the reimbursement of all spare parts.
9. The Contractor will be responsible for the procurement of all basic and specialty tools and equipment required to perform all maintenance and repairs of the PBBs and the related auxiliary systems. The Contractor will also be responsible for all consumable materials and supplies as well as all safety Personal Protective Equipment (PPE) required for Contractor's employees. Department will provide PBB safety frame stand(s). Contractor will maintain the frame and store it in a Department approved location.
10. The Contractor will be responsible to provide and maintain all Contractors' vehicles which includes, but is not limited to; lifts, forklift trucks, golf carts, truck(s), etc.
11. The Contractor will have current fall restraint system certification throughout the term of the Agreement.
12. For all company owned vehicles operated at SMF the Contractor will be responsible for acquiring the proper insurance, airport permits, company decals and configuring all vehicles for the environment they operate in.
13. The Contractor will be expected to cooperate in all respects with the airlines, Transportation Security Administration (TSA), and any

other stakeholders (for example, but not limited to, Customs and Border Protection, Food and Drug Administration, etc.) and/or their representatives as well as Department personnel.

14. The Contractor will participate in meetings with Department and airlines if operational needs require such meetings.

F. MAINTENANCE REQUIREMENTS AND SERVICES

1. Operations and Maintenance

- a. The Contractor will assume the responsibility to provide ongoing training and supervise all Contractor's maintenance personnel and provide all materials, equipment, and services required to accomplish the tasks specified to assure that all Department equipment provides safe and reliable service, meeting the minimum performance criteria at all times which is specified herein under "PBB Key Performance and Metrics".
- b. All maintenance services on Department equipment shall at a minimum be performed in accordance with the manufacturer's operation and maintenance manuals. The maintenance services under this contract shall include, but not be limited to, furnishing all labor, tools, equipment, and material necessary to accomplish the inspection, cleaning, adjustment, preventive maintenance, lubrication, repair, testing/replacement of parts and equipment, supplying of consumables and expendables, and repair of spare equipment for the Department equipment.
- c. Whenever PBB or auxiliary subsystem equipment service is interrupted, restoration of service shall be of the highest priority and shall be accomplished in accordance with the manufacturer's specifications and recommendations.

2. System Maintenance

- a. For each of the Department owned PBBs and the related auxiliary subsystems, the following types of maintenance shall be performed:
 - i. Scheduled or planned maintenance including inspections and Preventive Maintenance (PM) - routine inspections

and tests designed to identify any unusual or abnormal equipment condition. PM activities required to keep the equipment operating at the prescribed levels of safety, efficiency and reliability, which are performed on a regular basis at specified intervals. Scheduled maintenance activities shall, at minimum, be performed as included in the maintenance schedule provided by the equipment manufacturer.

Preventative measures shall also include routine cleaning of PBB electrical panels, fittings, lubrication points, chains, cables, operator consoles, as well as the surrounding areas as required to keep equipment free from any trash, dirt and/or debris, and to prevent Foreign Object Debris (FOD). Additionally, the PMs will include a monthly inspection of the PBBs for pests, including birds, insects and rodents. There will be a bi-annual inspection and cleaning of the exterior of the PBBs and related components that maintains the appearance of the PBBs being free from mold and dirt build up. Any corrective work found during a scheduled inspection may be considered scheduled or planned work and recorded within the Contractor's Computer Maintenance Management System (CMMS) system. Photos will be attached in the CMMS system for documentation of inspections and maintenance.

- ii. Non-Scheduled Corrective Maintenance (CM) - Any corrective measure or repair needed to repair a failure that is discovered by an operator during use of a PBB or auxiliary system. This may or may not have any adverse effects of the normal PBB or its subsystem equipment operation. Non-scheduled maintenance may be required as a result of unsatisfactory conditions discovered because of an operational failure. Non-scheduled maintenance shall be performed on a priority basis and operational downtime will be recorded in the CMMS. Non-scheduled corrective maintenance will also include any measure or repair that may be required because of ordinary wear and tear. All corrective maintenance that requires taking the PBB out of service will be scheduled via Airside Operations and the Resource Management Office. Airside Operations must be

notified when the PBB is taken out of service and when it is returned to service.

iii. Other Maintenance - Other maintenance includes; warranty repairs, Contractor owned testing equipment and its tools, all necessary metal welding or fabrication, and any Original Equipment Manufacturing (OEM) service bulletin recommended or recall repairs.

b. The reliability of the PBBs is highly dependent on a reliable maintenance program. The PBBs shall be thoroughly inspected at regular intervals and preventive measures shall be taken to prevent major breakdowns. It is the Contractor's responsibility to maintain up to date manuals at all times to ensure all recommendations, service alerts/bulletins and technical advisories are implemented.

3. Contractor Management and Administration Responsibilities

a. Supervise and schedule maintenance work for all Contractor employees. Staffing should be scheduled for twenty-four (24) hours a day, seven (7) days each week coverage including holidays as per the agreed upon staffing plan. The Contractor will have on call staff that can be called in to assist in emergency repair if onsite staffing is not sufficient. The Contractor's on site staff shall respond within five (5) minutes of a notification from the Department. The Contractor's off site staff shall respond within one (1) hour of a notification from the Department.

b. Provide all personnel, tools, supplies, materials, and PPE necessary to perform the administration, operation and maintenance of all Department owned PBBs and related auxiliary subsystems.

c. Store and maintain Department owned spare parts inventory, including critical spares and parts with a long lead time. Items that are not considered bench or rolling stock will be stored at the SMF's Central Warehouse.

d. Provide the Department with a monthly spare parts inventory count.

- e. Notify the Department of parts in need of repair or for spare parts replenishment. The Contractor's Site Manager (Site Manager) will inform the Department in writing detailing part description, manufacturer part number, pricing and inform the urgency of the purchase. The Department will approve the Contractor to purchase spare parts. All spare parts are the property of the Department and remaining parts at the end of the contract are to be turned over to the Department. PBB spare part invoices will be itemized in a monthly invoice to Department, for reimbursement to the Contractor.
 - f. The Contractor will procure spare parts that have been approved by Department. After approval the Contractor will order spare parts, and invoice Department for parts with no more than a five percent (5%) mark up.
 - g. Acquire and provide all technical information and advanced training of Contractor's personnel. All Technical Manuals (TM) will be maintained by the Contractor with digital copies of TMs given to the Department.
 - h. Track the warranty period for all components, labor hours for repairs and cost. If spare parts are used for warranty repairs it is the Contractor's responsibility to replace these parts at no cost to Department.
 - i. Continuously update CMMS system.
 - j. Manage staff's payroll, benefits, disciplinary actions, and other personal administrative duties internally within Contractor's organization.
4. Reporting, Meetings, and Communications
- a. Reporting
 - i. Most PBB outages will be communicated to the Contractor by the Airport Communication Center (ACC) or the airport maintenance call center from information they receive from the affected airlines.
 - ii. The Contractor will contact Airside Operations upon

finding a PBB equipment failure. The information will be communicated to Airside Operations as soon as possible or once a situation has been properly evaluated for any PBB related events causing a notable disruption to any airline's operations including the cause, effect, and corrective action completed or recommended.

- iii. Reports are to be submitted within a week after any corrective work or changes are made to the PBBs and auxiliary subsystems from an outside source whether from the Contractor's organization or other.
- iv. PBB failure reports are to be submitted weekly by email distribution to the Department identifying failures and the corrective maintenance actions taken for all PBB assets listed according to airport gate numbers.
- v. PBB performance reports based on the CMMS are to be submitted weekly by email distribution to the Department identifying key performance indicators and maintenance performance metrics. This will include but is not limited to the rate of corrective/planned maintenance, inspections and PM completion rates, and asset down times.
- vi. Monthly spare parts inventory reports are to be submitted monthly by email distribution to the Department. These inventory reports are to be updated and kept current as spare parts are removed from or added to inventory.
- vii. The Contractor will be responsible for developing and submitting any other additional daily, weekly, monthly, and annual reports as requested by the Department.
- viii. Any additional data collected on the CMMS such as employee labor, scheduled and completed maintenance, and PM schedule will be provided to the Department's Project Manager at any time as requested by the Department.

b. Meetings

- i. The Site Manager shall meet with the Project Manager weekly. During the meeting the CMMS failure and performance reports shall be reviewed in order to monitor system performance and Agreement compliance. Suggestions for continuous improvements shall be discussed as well as spare parts and any other support needed. During this time, staffing, housekeeping and any other administrative needs may be discussed. The meeting time and day will be established by the Contractor. The Contractor shall write a summary of the discussion points in a meeting minute's format and submit to the Department within twenty-four (24) hours.
- ii. The Contractor shall attend a monthly stakeholder meeting and be prepared to answer any questions from the stakeholders and Department concerning the PBBs. The Contractor shall also attend any additional meetings that may come up as requested by the Department or airline staff.

c. Communications

- i. The Site Manager shall be available twenty-four (24) hours a day seven (7) days a week with the Project Manager by phone or email. The Site Manager shall inform the Department when there is any leave of absence taken and who will fill-in as Site Manager during an absence. The Contractor's on-site staff shall respond within five (5) minutes of a notification from the Department. The Contractor's off-site staff shall respond within one (1) hour of a notification from the Department.
- ii. The Contractor shall call Airside Operations each time a PBB or related auxiliary equipment will hinder the airline's use of the equipment. The Contractor will keep a written log of PBB issues, resolution of issues and repairs and when calls and updates were made to the Airside Operations or the ACC.

- iii. The Contractor shall call Airside Operations each time a PBB or related auxiliary equipment will hinder the airline's use of the equipment. The Contractor will keep a written log of PBB issues, resolution of issues and repairs and when calls and updates were made to the Airside Operations or the ACC.

G. TRAINING

1. The Contractor will employ and train all maintenance personnel as required for the performance of this Agreement. Department requires that PBB technicians are cross-trained in order to better serve airport customers, have proficient knowledge and understanding of all aspects of PBBs, and be able to skillfully provide twenty-four (24) hours a day seven (7) days a week coverage.
2. The Contractor will ensure that all employees who will be involved in the maintenance of the Department equipment have a thorough understanding of the system and how to safely and effectively operate and maintain the equipment as required for their respective position.
3. The Contractor will be required to provide as needed "train the trainer" training for airline employees on the proper operating procedures for the PBBs, and will maintain and provide to the Department training reports for each person trained.

H. GENERAL SAFETY

During the term of this Agreement, the Contractor will be responsible to provide tools, materials, resources, training and any and all services required to ensure that the PBBs can be safely operated and maintained in conformance with the O&M manuals, industry standards, and all local, State, and federal safety guidelines.

I. PBB KEY PERFORMANCE AND METRICS

1. Maintain a ratio of 90% of planned work versus 10% corrective work. Planned work includes; inspections, preventive maintenance, repairs, corrected work discovered from a Contractor inspection, and warranty work. Corrective work includes: faults or

failures of the system due to normal wear and tear. Corrective work will not include operator caused faults or failures. Example: 15) corrective work orders/175 planned work orders = 8.6% (91.4% planned vs. 8.6% requested)

2. Maintain a monthly inspection and preventive maintenance work order completion rate of 97% or greater. This will be calculated by dividing the monthly total number of inspection and PM work orders by the total monthly inspection and PM work orders. Example: 97 completed/100 total = 97% completion rate. Maintain the total uptime of all PBBs and systems at 99% or greater. This will be calculated by dividing the monthly total number of hours of downtime by the monthly total hours of all PBB operational time. Example: 8 hours of down time/500 total hours of operational hours = 1.6% (98.4% uptime). A percentage of the monthly invoice will be deducted for falling below the 99% availability as follows: For any calendar month of this Agreement that the PBBs do not achieve a performance criteria of 99% of availability, the table below shall be used as a "Payment Factor" to calculate the final monthly payment.

Performance Table

Performance Requirement	Payment Factor
99.0 – 100	1.000
98.9 – 98.99	0.991
98.8 – 98.89	0.981
98.7 – 98.79	0.971
98.6 – 98.69	0.961
98.5 – 98.59	0.951
98.4 – 98.49	0.941
98.3 – 98.39	0.931
98.2 – 98.29	0.921

3. Operational time is defined as the time when a PBB is being used or is scheduled to be used. As an example: a PBB is actively being used from the time an airline preps for a flight until the plane taxis away. A PBB is not in use between flights or at night when the PBB is pulled away from a Remain Overnight (RON) aircraft. If a planned flight has to be moved from one PBB to another PBB because of a maintenance issue, then the operational time of the inoperable PBB is affected (exceptions will be made in situations where airline staff or an outside force has damaged the PBB).

4. The Department shall audit the physical presence of the spare parts compared to the spare parts inventory report. All spare parts will be accounted for, whether in stock or on order.
5. The Contractor shall work with the Department to establish and implement any further PBB metrics so that continuous improvement is constantly obtained.

J. **CONTRACTOR PERSONNEL AND OTHER ADMINISTRATIVE RESPONSIBILITIES**

1. Contractor is responsible for all decisions regarding safe Department equipment operation, as coordinated with and approved by Department and the airlines. Department and the airlines must be notified of fault conditions and equipment failure immediately, as well as the estimated time of repair, this will be completed by contacting Airside Operations.
2. Contractor is responsible for dispatching personnel as necessary to correct fault conditions and equipment failure and to correct mechanical failures, electrical failures and control system faults and failures. A failure or fault is defined as any condition that causes the equipment to become non-functional or non-compliant to the performance specification.
3. Contractor is responsible for maintaining all Department equipment, parts, supplies and materials in good working order, properly maintained and in a secure location for the duration of the Agreement.
4. Contractor is responsible for complying with Department security and badging requirements. All employees must have badges as required for unescorted access to the appropriate maintenance areas. This also includes obtaining FIS endorsement added to employees' badges to have access to PBBs being used on international flights.
5. Contractor is responsible for the appearance of personnel and Contractor's personnel shall be clean and neat and their conduct courteous. Contractor shall furnish to every employee appropriate uniforms with the proper identification of the Contractor, as approved by Department, which shall be worn at all times while on

duty.

6. Contractor is responsible to provide escorting for any and all O&M support and adhere to Security Identification Display Area (SIDA) escorting guidelines.

K. REPORTING OF INCIDENTS, ACCIDENTS, AND BREACH OF RULES

Contractor will call Airside Operations and report in writing to the Department all incidents, accidents, and breach of rules arising out of or in connection with the services which result in injury or property damage, giving full details and witness statements. In addition, if death or serious injury occurs the same shall be reported immediately to Department by the Contractor. Furthermore, if any airline is responsible for incidents, accidents, and damage to property, then the same measures must be taken to report these issues by calling immediately and reporting to Airside Operations. The documentation will be provided to the Department.

L. ADDITIONAL SERVICE

1. Contractor's responsibilities:
 - a. Contractor will be responsible for making repairs to the interior finishing of the PBB tunnels. This includes but is not limited to interior coatings including vinyl/phenolic wall coverings and paint as well as flooring including carpeting, tile and subfloors.
 - b. Contractor will not be responsible for network and communication lines and accessories.
 - c. Contractor will be responsible for making repairs and maintaining the PPB and tunnel exterior. This includes but not limited to roof, paint, weather stripping, fans, and any HVAC the bridge may have.
 - d. The Contractor's responsibility begins at the door separating the PBB and the concourse.
 - e. The electrical demarcation point between County maintenance and contracted maintenance shall be on the load side of all feeder MCCs/switchgear.

- f. The Contractor is not responsible for potable water backflow preventers regardless of the location. Water demarcation point shall be at the outlet side of the backflow device attached to the concourse.
 - g. The Contractor must coordinate all crane operations with Airside Operations.
 - h. Contractor is responsible for paying the badging fees for Contractor's employees. The current badging fee is \$46.00 per employee.
 - i. The Contractor is responsible for paying all parking fees for Contractor's employees. The current parking fee is \$15.00 per month per employee.
2. Items excluded from Contractor's responsibility:
- a. Contractor will not be responsible for the maintenance or repair of equipment belonging to any of the individual airlines using the airport.
 - b. Contractor will not be responsible for operation of the PBBs and auxiliary subsystem equipment outside of maintenance requirements (operating a PBB for an airline).
 - c. The Contractor is not responsible for security door locks.
3. Department's responsibilities:
- a. The Department will provide the following for use by the Contractor during the Term of this Agreement:
 - i. Office space.
 - ii. Internet connection.
 - iii. Storage space for spare parts.
 - iv. Shop space for repairs.

V. TERM AND EFFECTIVE DATE OF THE AGREEMENT

The Department intends to award an Agreement that will begin on May 1, 2023. The initial term of the Agreement will be for ten (10) years with one (1) option to extend the term for five (5) years, for a possible total term of fifteen (15) years.

X. MINIMUM QUALIFICATIONS

The following section describes the minimum required information that must be submitted with each proposal. Incomplete proposals will be rejected. It is the respondent's responsibility to incorporate all pertinent information to effectively present a proposal and to communicate the respondent's qualifications. All respondents are required to thoroughly review all Attachments detailing services required, specifications, and required reports.

Contractors submitting a proposal must, at a minimum, possess demonstrable skills, detailed knowledge, and applied experience in the following areas:

1. Successful proposers will have five (5) or more years of continuous experience within the last ten (10) years in PBB operation, inspection and maintenance services at other airports in the United States that includes a multi-shift (24/7) operation.

2. Successful proposers must maintain insurance and worker's compensation policies that meet or exceed the minimum requirements of the County.
3. Successful proposers must maintain a qualified business license prior to execution of an agreement.
4. Submit full and complete answers in response to questions in this RFP, numbered consecutively, with all requested information attached. Use additional forms and provide as much written text as necessary to effectively communicate the proposed concept and qualifications.
5. Provide written clarification or additional information within two (2) business days of request to any written request for such information by the County during the proposal review and evaluation process.
6. Submit a complete proposal.
7. Attend the pre-proposal conference.

XI. STATEMENT OF QUALIFICATIONS

The selected proposer must successfully demonstrate the capability to provide PBB inspection and maintenance services. Responses to this RFP should contain sufficient information to demonstrate qualifications and experience, cite previous examples of success, and must respond to the following questions and include the following information:

A. COMPANY QUALIFICATIONS

1. Describe the company and how it meets the minimum requirements of this RFP; and
2. Explain how you will provide the County a value added advantage in service and technology.

B. PROPOSED STAFFING PLAN:

At a minimum, the Staffing Plan should address the following:

1. Proposed Project Manager: person's name, qualifications and years of experience;
2. Employee experience requirements, average hourly wages, and benefits;
3. Methods for attracting and retaining qualified employees at the appropriate staffing levels, including incentive and/or merit programs;
4. Number of staff, by job category, needed to perform scope of work;
5. Standards of conduct;
6. Uniform specifications and appearance standards; and
7. Proposed 24/7 multiple shift staffing schedule (include all positions and days off).

C. TRAINING REPORTS:

Contractor shall submit a sample of the proposed training report.

XII. PROPOSED FEE SCHEDULE

Respondent shall provide a proposed fee schedule for the first five (5) years of service. Please include the hourly rates for the Agreement or if a flat fee is desired. Clearly identify any overhead multipliers or other fees not covered by the stated hourly rates, if applicable. The terms of the resulting Agreement will be subject to negotiation with the successful entity.

XIII. REFERENCES

Provide the following information for at least five (5) clients with direct experience with your firm, within the last seven (7) years that can be contacted to provide a reference:

- A. Company name;

- B. Contact name;
- C. Contact title;
- D. Address;
- E. E-mail address; and
- F. Telephone number

Note that the Department reserves the right to contact past or current clients not listed as references.

May 1, 2023	Effective date of agreement with selected proposer

XV. EVALUATION OF PROPOSALS

The RFP evaluation process will include a specific focused review of each proposal. Each proposal will be evaluated against other proposals received. Written proposals must be formatted and tabbed in the order indicated above and clearly indicate all proposed services offered and the projected price.

Proposals will be evaluated based on the following criteria:

CRITERIA	MAXIMUM POINTS
Completeness of response	Pass/Fail
Qualifications and experience	40
Cost proposal	20
References on projects similar in scope	25
Staffing plan	15
Total:	100

A. COMPLETENESS OF RESPONSE (PASS/FAIL):

Responses to this RFP must be complete. Responses that do not include the proposal content requirements identified within this RFP and subsequent addenda and do not address each of the items listed below will be considered incomplete, be rated a fail during the evaluation and will receive no further consideration. Responses that are rated a "Fail" will not be considered and may be picked up at the delivery location within fourteen (14) calendar days of agreement award and/or the completion of the competitive process.

B. QUALIFICATIONS AND EXPERIENCE (40 POINTS):

Relevant experience, specific qualifications, and technical expertise of the Contractor's staff, to provide PBB operation, inspection and maintenance services.

C. COST PROPOSAL (20 POINTS)

Respondent shall provide a proposed fee schedule for the first five (5) years of service. Please include the hourly rates for the Agreement or if a flat fee is desired. Clearly identify any overhead multipliers or other fees not covered by the stated hourly rates, if applicable. The terms of the resulting Agreement will be subject to negotiation with the successful entity.

D. REFERENCES ON PROJECTS SIMILAR IN SCOPE (25 POINTS):

Provides reference contact information for at least five (5) references for projects similar in scope. References must be from within the last seven (7) years.

E. STAFFING PLAN (15 POINTS)

At a minimum, the Staffing Plan should address the following:

1. Proposed Project Manager: person's name, qualifications and years of experience;
2. Employee experience requirements, average hourly wages, and benefits;
3. Methods for attracting and retaining qualified employees at the appropriate staffing levels, including incentive and/or merit programs;
4. Number of staff, by job category, needed to perform scope of work;
5. Standards of conduct;
6. Uniform specifications and appearance standards; and
7. Proposed 24/7 multiple shift staffing schedule (include all positions and days off).

XVI. QUESTIONS

All inquiries regarding this RFP and any request for clarification of the contents of this RFP must be directed in writing, via e-mail to Sherrie Antonio at AntonioS@Saccounty.gov no later than September 2, 2022, at 2:00 PM, Pacific Daylight Time.

Interested parties are hereby notified of the following:

- A. Telephone inquiries will not receive a response;
- B. Contractors are not to rely on oral instructions or clarifications to this RFP;
- C. If modifications to this RFP are necessary, the Department will respond in writing via addendum, which will to be posted to the Sacramento County Department of Airports web site at http://www.sacramento.aero/scas/opportunities/bids_and_requests/;

- D. Interested parties are encouraged to regularly check the Sacramento County Department of Airports web site for possible updates related to this RFP;
- E. Any addendum prepared by the Department that responds to questions received by the deadline for submitting questions will be posted on the Sacramento County Department of Airports' web site; and
- F. Contact with any County representative (other than the designated contact person identified above) during this solicitation process is cause for disqualification.

XVII. BACKGROUND CHECKS

The Contractor's staff that will be working on-site unescorted, or who require access to County systems must pass the Department's background check.

XVIII. NEGOTIATION OF AGREEMENT

The selected Contractor shall execute an Agreement with the County of Sacramento, using the standard Agreement promulgated by the Office of the County Counsel. The Agreement must be reviewed and approved by County Counsel prior to the Board review and approval.

FAA GENERAL CONTRACT PROVISIONS FOR SOLICITATIONS
COVER PAGE

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.
2. The goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Timetables

Goals for minority participation for each trade: 16.1%
Goals for female participation in each trade: 6.9%

These goals are applicable to all of the Contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the Contractor also is subject to the goals for both its federally involved and non-federally involved construction.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a) and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of

the subcontract; and the geographical area in which the subcontract is to be performed.

4. As used in this notice and in the contract resulting from this solicitation, the "covered area" is Sacramento County.

BUY AMERICAN PREFERENCE

The Contractor agrees to comply with 49 USC § 50101, which provides that Federal funds may not be obligated unless all steel and manufactured goods used in AIP funded projects are produced in the United States, unless the Federal Aviation Administration has issued a waiver for the product; the product is listed as an Excepted Article, Material Or Supply in Federal Acquisition Regulation subpart 25.108; or is included in the FAA Nationwide Buy American Waivers Issued list.

The bidder must complete and submit the Buy America certification included herein with their bid or offer. The County will reject as nonresponsive any bid or offer that does not include a completed Certificate of Buy American Compliance.

TITLE VI SOLICITATION NOTICE

The County, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that any contract entered into pursuant to this advertisement, [select disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

DAVIS-BACON REQUIREMENTS

The Davis-Bacon Act ensures that laborers and mechanics employed under the contract receive pay no less than the locally prevailing wages and fringe benefits as determined by the Department of Labor. 2 CFR § 200, Appendix II (D); 29 CFR Part 5.

CERTIFICATION OF BIDDER REGARDING DEBARMENT

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

DISADVANTAGED BUSINESS ENTERPRISE

The requirements of 49 CFR part 26 apply to this contract. It is the policy of the County to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. The Owner encourages participation by all firms qualifying under this solicitation regardless of business size or ownership.

TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror –

- 1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);
- 2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and
- 3) Has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC Section 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor:

- 1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR or
- 2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list or
- 3) Who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

CERTIFICATION REGARDING LOBBYING

The Bidder or Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Bidder or Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall

complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

PROCUREMENT OF RECOVERED MATERIALS

Contractor and subcontractor agree to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, and the regulatory provisions of 40 CFR Part 247. In the performance of this contract and to the extent practicable, the Contractor and subcontractors are to use products containing the highest percentage of recovered materials for items designated by the Environmental Protection Agency (EPA) under 40 CFR Part 247 whenever:

- 1) The contract requires procurement of \$10,000 or more of a designated item during the fiscal year; or
- 2) The Contractor has procured \$10,000 or more of a designated item using Federal funding during the previous fiscal year.

The list of EPA-designated items is available at www.epa.gov/smm/comprehensive-procurement-guidelines-construction-products.

Section 6002(c) establishes exceptions to the preference for recovery of EPA-designated products if the Contractor can demonstrate the item is:

- a) Not reasonably available within a timeframe providing for compliance with the contract performance schedule;
- b) Fails to meet reasonable contract performance requirements; or
- c) Is only available at an unreasonable price.

Attachment 2

**AGREEMENT FOR PASSENGER BOARDING BRIDGE
INSPECTION AND MAINTENANCE SERVICES,
SACRAMENTO INTERNATIONAL AIRPORT,
COUNTY OF SACRAMENTO**

THIS AGREEMENT is made and entered into as of this _____ day of _____ 2023, by and between the COUNTY OF SACRAMENTO, a political subdivision of the State of California, hereinafter referred to as "COUNTY," and _____, hereinafter referred to as "CONTRACTOR."

RECITALS

WHEREAS, the COUNTY is the owner and operator of Sacramento International Airport hereinafter referred to as "SMF" located in the County of Sacramento; and

WHEREAS, the Department desires to obtain the services of a contractor for inspection, operation and maintenance services for all Passenger Boarding Bridges (PBB) at SMF; and

WHEREAS, CONTRACTOR has the necessary qualifications, experience and personnel to accomplish the objectives set forth herein; and

WHEREAS, pursuant to Government Code Section 31000, the COUNTY is authorized to contract for specific special services with persons specially trained, experienced and competent to perform such services; and

WHEREAS, via Resolution # _____ - _____, the Sacramento County Board of Supervisors authorized the Director of Airports (Director) to execute the Passenger Boarding Bridge Operation, Inspection and Maintenance Services Agreement with CONTRACTOR; and

WHEREAS, pursuant to Sacramento County Code section 2.61.440, the department or agency which has authority to execute this Agreement on behalf of COUNTY has authority to amend this Agreement so as to increase the maximum payment amount, provided that such increase does not exceed the lesser of ten percent (10%) of the annual payment amount or \$25,000; and

WHEREAS, Section 71-J of the Sacramento County Charter allows for the Board to contract for the provision of COUNTY services for reasons of economy and efficiency; and

WHEREAS, the provisions of Section 71-J of the Sacramento County Charter are applicable to contracts for passenger boarding bridge operation, inspection and maintenance services because COUNTY civil service employees, primarily _____, are currently providing those types of services; and

WHEREAS, Section 71-J permits the COUNTY to contract for COUNTY services for reasons of economy and efficiency if displacement of current civil service employees does not occur, and if such contracts are awarded through a competitive selection process, and if the COUNTY has met and conferred with any organization that represents COUNTY employees who perform the type of services to be contracted; and

WHEREAS, no current civil service employees will be displaced as a result of entering into the Agreement; and

WHEREAS, CONTRACTOR satisfied the requirement for award of the Passenger Boarding Bridge Operation, Inspection and Maintenance Services Agreement through a publicized, competitive bidding process; and

WHEREAS, COUNTY and CONTRACTOR desire to enter into this Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth, COUNTY and CONTRACTOR agree as follows:

I. SCOPE OF SERVICES

CONTRACTOR shall provide services in the amount, type and manner described in Exhibit A, which is attached hereto and incorporated herein.

II. TERM

- A. This Agreement shall be effective and commence as of the date first written above and shall end on April 30, 2033.
- B. The initial term of the agreement is for ten (10) years, with one (1) option to extend the term for five (5) years, for anticipated possible total term of fifteen (15) years.

III. NOTICE

Any notice, demand, request, consent, or approval that either party hereto may or is required to give the other pursuant to this Agreement shall be in writing and shall be either personally delivered or sent by mail, addressed as follows:

TO COUNTY

Director of Airports
Sacramento County
Department of Airports
6900 Airport Boulevard
Sacramento, CA 95837

TO CONTRACTOR

Name _____
Address _____

Either party may change the address to which subsequent notice and/or other communications can be sent by giving written notice designating a change of address to the other party, which shall be effective upon receipt.

IV. COMPLIANCE WITH LAWS

CONTRACTOR shall observe and comply with all applicable federal, State, and County laws, regulations and ordinances.

V. GOVERNING LAWS AND JURISDICTION

This Agreement shall be deemed to have been executed and to be performed within the State of California and shall be construed and governed by the internal laws of the State of California. Any legal proceedings arising out of or relating to this Agreement shall be brought in Sacramento County, California.

VI. LICENSES, PERMITS AND CONTRACTUAL GOOD STANDING

- A. CONTRACTOR shall possess and maintain all necessary licenses, permits, certificates and credentials required by the laws of the United States, the State of California, County of Sacramento and all other appropriate governmental agencies, including any certification and credentials required by COUNTY. Failure to maintain the licenses, permits, certificates, and credentials shall be deemed a breach of this Agreement and constitutes grounds for the termination of this Agreement by COUNTY.

- B. CONTRACTOR further certifies to COUNTY that it and its principals are not debarred, suspended, or otherwise excluded from or ineligible for, participation in federal, State or County government contracts. CONTRACTOR certifies that it shall not contract with a subcontractor that is so debarred or suspended.

VII. PERFORMANCE STANDARDS

CONTRACTOR shall perform its services under this Agreement in accordance with the industry and/or professional standards applicable to CONTRACTOR'S services.

VIII. OWNERSHIP OF WORK PRODUCT

All technical data, evaluations, plans, specifications, reports, documents, or other work products developed by CONTRACTOR hereunder shall be the exclusive property of COUNTY and shall be delivered to COUNTY upon completion of the services authorized hereunder. CONTRACTOR may retain copies thereof for its files and internal use. Publication of the information directly derived from work performed or data obtained in connection with services rendered under this Agreement must first be approved in writing by COUNTY. COUNTY recognizes that all technical data, evaluations, plans, specifications, reports, and other work products are instruments of CONTRACTOR'S services and are not designed for use other than what is intended by this Agreement.

IX. STATUS OF CONTRACTOR

- A. It is understood and agreed that CONTRACTOR (including CONTRACTOR'S employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto. CONTRACTOR'S assigned personnel shall not be entitled to any benefits payable to employees of COUNTY as an independent contractor, CONTRACTOR hereby indemnifies and holds COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.
- B. It is further understood and agreed by the parties hereto that CONTRACTOR in the performance of its obligation hereunder is subject to the control or direction of COUNTY as to the designation of tasks to be performed, the results to be accomplished by the services hereunder

agreed to be rendered and performed, and not the means, methods, or sequence used by CONTRACTOR for accomplishing the results.

- C. If, in the performance of this Agreement, any third persons are employed by CONTRACTOR, such person shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. All terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONTRACTOR, and the COUNTY shall have no right or authority over such persons or the terms of such employment.
- D. It is further understood and agreed that as an independent contractor and not an employee of COUNTY, neither the CONTRACTOR nor CONTRACTOR'S assigned personnel shall have a) any entitlement as a COUNTY employee; or b) except as otherwise provided by this Agreement, the right to act on behalf of COUNTY in any capacity whatsoever as agent, nor to bind COUNTY to any obligation whatsoever. CONTRACTOR shall not be covered by worker's compensation; nor shall CONTRACTOR be entitled to compensated sick leave, vacation leave, retirement entitlement, participation in group health, dental, life and other insurance programs, or entitled to other fringe benefits payable by the COUNTY to employees of the COUNTY.
- E. Notwithstanding CONTRACTOR'S status as an independent contractor, COUNTY shall withhold from payments made to CONTRACTOR such sums as are required to be withheld from employees by the federal Internal Revenue Code; the federal Insurance Compensation Act; the State Personal Income Tax Law and the State Unemployment Insurance Code; provided, however, that said withholding is for the purpose of avoiding COUNTY'S liability under said laws and does not abrogate CONTRACTOR'S status as an independent contractor as described in this Agreement. Further, CONTRACTOR is not included in any group covered by COUNTY'S present agreement with the federal Social Security Administration.

X. CONTRACTOR IDENTIFICATION

CONTRACTOR shall provide the COUNTY with the following information for the purpose of compliance with California Unemployment Insurance Code section 1088.8 and Sacramento County Code Chapter 2.160: CONTRACTOR'S name, address, telephone number, social security

number, and whether dependent health insurance coverage is available to CONTRACTOR.

XI. COMPLIANCE WITH CHILD, FAMILY AND SPOUSAL SUPPORT REPORTING OBLIGATIONS

- A. CONTRACTOR'S failure to comply with State and federal child, family and spousal support reporting requirements regarding a CONTRACTOR'S employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child, family and spousal support obligations shall constitute a default under this Agreement.
- B. CONTRACTOR'S failure to cure such default within ninety (90) days of notice by COUNTY shall be grounds for termination of this Agreement.
- C. If CONTRACTOR has a Principal Owner, CONTRACTOR shall provide Principal Owner information to the COUNTY upon request. Principal Owner is defined for purposes of this Agreement as a person who owns an interest of twenty-five percent (25%) or more in the CONTRACTOR. Information required may include the Principal Owner's name, address, and social security number. Failure to provide requested information about a Principal Owner within sixty (60) days of request shall be deemed a material breach of this Agreement and may be grounds for termination.

XII. BENEFITS WAIVER

If CONTRACTOR is unincorporated, CONTRACTOR acknowledges and agrees that CONTRACTOR is not entitled to receive the following benefits and/or compensation from COUNTY: medical, dental, vision and retirement benefits, life and disability insurance, sick leave, bereavement leave, jury duty leave, parental leave, or any other similar benefits or compensation otherwise provided to permanent civil service employees pursuant to the County Charter, the County Code, the Civil Service Rule, the Sacramento County Employees' Retirement System (SCERS) and/or any and all memoranda of understanding between COUNTY and its employee organizations. Should CONTRACTOR or any employee or agent of CONTRACTOR seek to obtain such benefits from COUNTY, CONTRACTOR agrees to indemnify and hold harmless COUNTY from any and all claims that may be made against COUNTY for such benefits.

XIII. RETIREMENT BENEFITS/STATUS

CONTRACTOR acknowledges and agrees that COUNTY has not made any representations regarding entitlement, eligibility for and/or right to receive ongoing SCERS retirement benefits during the term of this Agreement. By entering into this Agreement, CONTRACTOR assumes sole and exclusive responsibility for any consequences, impacts or action relating to such retirement benefits that is or will be occasioned as a result of the services provided by CONTRACTOR under this Agreement. CONTRACTOR waives any rights to proceed against COUNTY should SCERS modify or terminate retirement benefits based on CONTRACTOR'S provision of services under this Agreement.

XIV. CONFLICT OF INTEREST

CONTRACTOR and CONTRACTOR'S officers and employees shall not have a financial interest, or acquire any financial interest, direct or indirect, in any business, property or source of income which could be financially affected by or otherwise conflict in any manner or degree with the performance of services required under this Agreement.

XV. LOBBYING AND UNION ORGANIZATION ACTIVITIES

- A. CONTRACTOR shall comply with all certification and disclosure requirements prescribed by Section 319, Public Law 101-121 (31 U.S.C. § 1352) and any implementing regulations.
- B. If services under this Agreement are funded with state funds granted to COUNTY, CONTRACTOR shall not utilize any such funds to assist, promote or deter union organization by employees performing work under this Agreement and shall comply with the provisions of Government Code Sections 16645 through 16649.

XVI. NONDISCRIMINATION IN EMPLOYMENT, SERVICES, BENEFITS AND FACILITIES

- A. CONTRACTOR agrees and assures COUNTY that CONTRACTOR and any subcontractors shall comply with all applicable federal, State, and local Anti-discrimination laws, regulations, and ordinances and to not unlawfully discriminate, harass, or allow harassment against any employee, applicant for employment, employee or agent of COUNTY, or recipient of services contemplated to be provided or provided under this Agreement, because of race, ancestry, marital status, color, religious

creed, political belief, national origin, ethnic group identification, sex, sexual orientation, gender, gender identity, age (over 40), medical condition (including HIV and AIDS), or physical or mental disability. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment, the treatment of COUNTY employees and agents, and recipients of services are free from such discrimination and harassment.

- B. CONTRACTOR represents that it is in compliance with and agrees that it will continue to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Fair Employment and Housing Act (Government Code §§ 12900 et seq.), and regulations and guidelines issued pursuant thereto.
- C. CONTRACTOR agrees to compile data, maintain records and submit reports to permit effective enforcement of all applicable antidiscrimination laws and this provision.
- D. CONTRACTOR shall include this nondiscrimination provision in all subcontracts related to this Agreement.

XVII. INDEMNIFICATION

- A. To the fullest extent permitted by law, for work or services provided under this Agreement, CONTRACTOR shall indemnify, defend, including with counsel reasonably acceptable to COUNTY, and hold harmless COUNTY, its governing Board, officers, directors, officials, employees, and authorized volunteers and agents (collectively "Indemnified Parties"), from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "Claims"), including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including but not limited to employees of either party hereto, and damage to or destruction of property, or loss of use or reduction in value thereof, including but not limited to the property of either party hereto, arising out of, pertaining to, or relating to the alleged or actual error or omission, negligence, recklessness, willful misconduct, infringement of intellectual property rights, breach of trust, breach of confidentiality, unauthorized use or disclosure of data, breach of statutory or regulatory law, or other breach of its duties under this Agreement by CONTRACTOR, its employees, CONTRACTOR'S sub consultants or subcontractors at any tier, or any other party for which CONTRACTOR is legally liable under law, excepting only such injury,

death, or damage, to the extent it is caused by the negligence of an Indemnified Party. CONTRACTOR shall not be liable for Claims caused by the sole negligence or willful misconduct of an Indemnified Party.

- B. The right to defense and indemnity under this Section shall initiate upon occurrence of an event giving rise to a Claim and tendered in writing to CONTRACTOR. CONTRACTOR shall defend the Indemnified Parties with counsel reasonably acceptable to COUNTY. Notwithstanding the foregoing, COUNTY shall be entitled, on its own behalf, and at the expense of CONTRACTOR, to assume control of its defense or the defense of any Indemnified Party in any legal action, with counsel reasonably selected by it. Should COUNTY elect to initially assume control of its defense, or the defense of any Indemnified Party, it does so without prejudice to its right to subsequently require that CONTRACTOR thereafter assume control of the defense and pay all reasonable attorneys' fees and costs incurred thereby.
- C. This indemnity obligation shall not be limited by the types and amounts of insurance or self-insurance maintained by CONTRACTOR or CONTRACTOR'S sub consultants or subcontractors at any tier.
- D. Nothing in this Indemnity obligation shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.
- E. The provisions of this Indemnity obligation shall survive the expiration or termination of the Agreement.

XVIII. INSURANCE

Without limiting CONTRACTOR'S indemnification, CONTRACTOR shall maintain in force at all times during the term of this Agreement and any extensions or modifications thereto, insurance as specified in Exhibit B. It is the responsibility of CONTRACTOR to notify its insurance advisor or insurance carrier(s) regarding coverage, limits, forms and other insurance requirements specified in Exhibit B. It is understood and agreed that COUNTY shall not pay any sum to CONTRACTOR under this Agreement unless and until COUNTY is satisfied that all insurance required by this Agreement is in force at the time services hereunder are rendered. Failure to maintain insurance as required in this agreement may be grounds for material breach of contract.

XIX. INFORMATION TECHNOLOGY ASSURANCES

CONTRACTOR shall take all reasonable precautions to ensure that any hardware, software, and/or embedded chip devices used by CONTRACTOR in the performance of services under this Agreement, other than those owned or provided by COUNTY, shall be free from viruses. Nothing in this provision shall be construed to limit any rights or remedies otherwise available to COUNTY under this Agreement.

XX. COMPENSATION AND PAYMENT OF INVOICES LIMITATIONS

- A. Compensation under this Agreement shall be limited to the Maximum Total Payment Amount set forth in Exhibit C, or Exhibit C as modified by COUNTY in accordance with express provisions in this Agreement.
- B. CONTRACTOR shall submit an invoice on the forms and in accordance with the procedures prescribed by COUNTY on a monthly basis. Invoices shall be submitted to COUNTY no later than the fifteenth (15th) day of the month following the invoice period, and COUNTY shall pay CONTRACTOR within thirty (30) days after receipt of an appropriate and correct invoice.
- C. COUNTY operates on a July through June fiscal year. Invoices for services provided in any fiscal year must be submitted no later than July 31, one (1) month after the end of the fiscal year. Invoices submitted after July 31 for the prior fiscal year shall not be honored by COUNTY unless CONTRACTOR has obtained prior written COUNTY approval to the contrary.
- D. CONTRACTOR shall maintain for four (4) years following termination of this Agreement full and complete documentation of all services and expenditures associated with performing the services covered under this Agreement. Expense documentation shall include: time sheets or payroll records for each employee; receipts for supplies; applicable subcontract expenditures; applicable overhead and indirect expenditures.
- E. In the event CONTRACTOR fails to comply with any provisions of this Agreement, COUNTY may withhold payment until such non-compliance has been corrected.

XXI. LEGAL TRAINING INFORMATION

If under this Agreement CONTRACTOR is to provide training of COUNTY personnel on legal issues, then CONTRACTOR shall submit all training and program material for prior review and written approval by County Counsel. Only those materials approved by County Counsel shall be utilized to provide such training.

XXII. SUBCONTRACTS, ASSIGNMENT

- A. CONTRACTOR shall obtain prior written approval from COUNTY before subcontracting any of the services delivered under this Agreement. CONTRACTOR remains legally responsible for the performance of all Agreement terms including work performed by third parties under subcontracts. Any subcontracting will be subject to all applicable provisions of this Agreement. CONTRACTOR shall be held responsible by COUNTY for the performance of any subcontractor whether approved by COUNTY or not.

- B. This Agreement is not assignable by CONTRACTOR in whole or in part, without the prior written consent of COUNTY.

XXIII. AMENDMENT AND WAIVER

Except as provided herein, no alteration, amendment, variation, or waiver of the terms of this Agreement shall be valid unless made in writing and signed by both parties. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent, or any other right hereunder. No interpretation of any provision of this Agreement shall be binding upon COUNTY unless agreed in writing by Director and counsel for COUNTY.

This Agreement may be amended to increase the maximum payment amount; provided, however, that such increase shall not exceed the lesser of ten percent (10%) of the annual payment amount under this Agreement or \$25,000.

XXIV. SUCCESSORS

This Agreement shall bind the successors of COUNTY and CONTRACTOR in the same manner as if they were expressly named.

XXV. TIME

Time is of the essence of this Agreement.

XXVI. INTERPRETATION

This Agreement shall be deemed to have been prepared equally by both of the parties, and the Agreement and its individual provisions shall not be construed or interpreted more favorably for one (1) party on the basis that the other party prepared it.

XXVII. DIRECTOR

As used in this Agreement, "Director" shall mean the Director of the Department of Airports or their designee.

XXVIII. DISPUTES

In the event of any dispute arising out of or relating to this Agreement, the parties shall attempt, in good faith, to promptly resolve the dispute mutually between themselves. Pending resolution of any such dispute, CONTRACTOR shall continue without delay to carry out all its responsibilities under this Agreement unless the Agreement is otherwise terminated in accordance with the Termination provisions herein. COUNTY shall not be required to make payments for any services that are the subject of this dispute resolution process until such dispute has been mutually resolved by the parties. If the dispute cannot be resolved within fifteen (15) calendar days of initiating such negotiations or such other time period as may be mutually agreed to by the parties in writing, either party may pursue its available legal and equitable remedies, pursuant to the laws of the State of California. Nothing in this Agreement or provision shall constitute a waiver of any of the government claim filing requirements set forth in Title 1, Division 3.6, of the California Government Code or as otherwise set forth in local, State and federal law.

XXIX. TERMINATION

- A. COUNTY may terminate this Agreement without cause upon thirty (30) days written notice to the other party. Notice shall be deemed served on the date of mailing. If notice of termination for cause is given by COUNTY to CONTRACTOR and it is later determined that CONTRACTOR was not in default or the default was excusable, then the notice of

termination shall be deemed to have been given without cause pursuant to this paragraph (A).

- B. COUNTY may terminate this Agreement for cause immediately upon giving written notice to CONTRACTOR should CONTRACTOR materially fail to perform any of the covenants contained in this Agreement in the time and/or manner specified. In the event of such termination, COUNTY may proceed with the work in any manner deemed proper by COUNTY. If notice of termination for cause is given by COUNTY to CONTRACTOR and it is later determined that CONTRACTOR was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph (A) above.
- C. COUNTY may terminate or amend this Agreement immediately upon giving written notice to CONTRACTOR, 1) if advised that funds are not available from external sources for this Agreement or any portion thereof, including if distribution of such funds to the COUNTY is suspended or delayed; 2) if funds for the services and/or programs provided pursuant to this Agreement are not appropriated by the State; 3) if funds in COUNTY'S yearly proposed and/or final budget are not appropriated by COUNTY for this Agreement or any portion thereof; or 4) if funds that were previously appropriated for this Agreement are reduced, eliminated, and/or re-allocated by COUNTY as a result of mid-year budget reductions.
- D. If this Agreement is terminated under paragraph A or C above, CONTRACTOR shall only be paid for any services completed and provided prior to notice of termination. In the event of termination under paragraph A or C above, CONTRACTOR shall be paid an amount which bears the same ratio to the total compensation authorized by the Agreement as the services actually performed bear to the total services of CONTRACTOR covered by this Agreement, less payments of compensation previously made. In no event, however, shall COUNTY pay CONTRACTOR an amount which exceeds a pro rata portion of the Agreement total based on the portion of the Agreement term that has elapsed on the effective date of the termination.
- E. CONTRACTOR shall not incur any expenses under this Agreement after notice of termination and shall cancel any outstanding expenses obligations to a third party that CONTRACTOR can legally cancel.

XXX. REPORTS

- A. CONTRACTOR shall, without additional compensation therefor, make fiscal, program evaluation, progress, and such other reports as may be reasonably required by Director concerning CONTRACTOR'S activities as they affect the contract duties and purposes herein. COUNTY shall explain procedures for reporting the required information.

- B. CONTRACTOR agrees that, pursuant to Government Code section 7522.56, CONTRACTOR shall make best efforts to determine if any of its employees or new hires providing direct services to the COUNTY are members of SCERS. CONTRACTOR further agrees that it shall make a report bi-annually (due no later than January 31st and July 31st) to the COUNTY with a list of its employees that are members of SCERS along with the total number of hours worked during the previous six (6) months. This report shall be forwarded to where Notice is sent pursuant to Roman numeral III of this Agreement.

XXXI. AUDITS AND RECORDS

Upon COUNTY'S request, COUNTY or its designee shall have the right at reasonable times and intervals to audit, at CONTRACTOR'S premises, CONTRACTOR'S financial and program records as COUNTY deems necessary to determine CONTRACTOR'S compliance with legal and contractual requirements and the correctness of claims submitted by CONTRACTOR. CONTRACTOR shall maintain such records for a period of four (4) years following termination of the Agreement, and shall make them available for copying upon COUNTY'S request at COUNTY'S expense. COUNTY shall have the right to withhold any payment under this Agreement until CONTRACTOR has provided access to CONTRACTOR'S financial and program records related to this Agreement.

XXXII. PRIOR AGREEMENTS

This Agreement constitutes the entire contract between COUNTY and CONTRACTOR regarding the subject matter of this Agreement. Any prior agreements, whether oral or written, between COUNTY and CONTRACTOR regarding the subject matter of this Agreement are hereby terminated effective immediately upon full execution of this Agreement.

XXXIII. SEVERABILITY

If any term or condition of this Agreement or the application thereof to any person(s) or circumstance is held invalid or unenforceable, such invalidity or unenforceability shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Agreement are declared severable.

XXXIV. FORCE MAJEURE

Neither CONTRACTOR nor COUNTY shall be liable or responsible for delays or failures in performance resulting from events beyond the reasonable control of such party and without fault or negligence of such party. Such events shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, pandemics, acts of government, fire, power failures, nuclear accidents, earthquakes, unusually severe weather, acts of terrorism, or other disasters, whether or not similar to the foregoing, and acts or omissions or failure to cooperate of the other party or third parties (except as otherwise specifically provided herein).

XXXV. SURVIVAL OF TERMS

All services performed and deliverables provided pursuant to this Agreement are subject to all of the terms, conditions, price discounts and rates set forth herein, notwithstanding the expiration of the initial term of this Agreement or any extension thereof. Further, the terms, conditions and warranties contained in this Agreement that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Agreement shall so survive.

XXXVI. DUPLICATE COUNTERPARTS

This Agreement may be executed in duplicate counterparts. The Agreement shall be deemed executed when it has been signed by both parties.

Signatures scanned and transmitted electronically shall be deemed original signatures for purposes of this Agreement, with such scanned signatures having the same legal effect as original signatures. This

Agreement may be executed through the use of an electronic signature and will be binding on each party as if it were physically executed.

XXXVII. AUTHORITY TO EXECUTE

Each person executing this Agreement represents and warrants that he or she is duly authorized and has legal authority to execute and deliver this Agreement for or on behalf of the parties to this Agreement. Each party represents and warrants to the other that the execution and delivery of the Agreement and the performance of such party's obligations hereunder have been duly authorized.

XXXVIII. FAA ASSURANCES

CONTRACTOR will, at all times during this Agreement, comply with the provision of the Airport Sponsor Assurances (Assurances) and any subsequent revisions, updates, or amendments thereto. A copy of the current Assurances is attached as EXHIBIT D and incorporated herein by this reference. The provisions of the Assurances may change during the term of this Agreement, and those changes will be incorporated into this Agreement without the necessity of a formal amendment. COUNTY is not responsible for notifying CONTRACTOR of any changes to the Assurances. CONTRACTOR is required to contact the FAA for any updates or revisions. The Assurances document is available on the FAA's website. [Please see https://www.faa.gov/airports/aip/grant_assurances/media/assurances-airport-sponsors-2020-05.pdf]

XXXIX. FAA CONTRACT PROVISIONS

CONTRACTOR shall, at all times, during the term of this Agreement, comply with the provisions of the FAA Contract Provisions (Contract Provisions) and any subsequent amendments, applicable to the activities, rights and duties contemplated under this Agreement. A copy of the Contract Provisions is attached as EXHIBIT E and incorporated by reference. CONTRACTOR shall include compliance with the Contract Provisions in all other agreements it enters into with third parties, pertaining to, referencing or otherwise related to the activates regarding the subject matter of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first written above.

SCOPE OF SERVICES

I. SERVICE LOCATION(S)

Facility Name(s):	Sacramento International Airport
Street Address:	6900 Airport Blvd.
City and Zip Code:	Sacramento, CA 95837

II. SCOPE OF WORK

The Contractor will be responsible for:

A. EQUIPMENT INFORMATION

1. The Sacramento County Department of Airports (Department) currently owns a total of thirty-two (32) PBBs, from multiple manufacturers, seven (7) are modified JBT Jetway, twelve (12) are Thyssenkrupp and thirteen (13) are Ameribridge.
2. All PBBs have 400Hz ground power as well as Pre-Conditioned Air (PCA) units, bag lifts, slides, stairs, and potable water cabinets.

B. DEPARTMENT FUTURE PLANS

Within the term of the Agreement, it is expected additional PBBs will be added to the operational scope while other PBBs will be replaced at the end of their lifecycle.

C. PRE-INSPECTION OF EQUIPMENT

The Contractor shall within thirty (30) days after the service start date, perform an inspection of the existing PBBs and assess the condition of all equipment covered under this specification to establish a condition baseline. The inspection report shall identify all operational and performance deficiencies of each piece of equipment to include an assessment and review of all manufacturer specific

maintenance manuals to determine accuracy. The report should also include an all PBB parts inventory assessment. Following review and corroboration by the Department, the inspection report shall serve as a starting point for the Contractor to provide ongoing corrective and preventative maintenance. The report shall identify all deficiencies the Contractor claims exist and recommend a priority to correct each. A draft copy of the inspection report shall be submitted to the Department within five (5) business days of the inspection completion date and the final report shall be submitted to the Department within fifteen (15) business days of the inspection. The Department will determine the manner in which each item will be addressed, and additional inventory items will be ordered.

D. COMMENCEMENT

The Contractor will begin its operation and maintenance (O&M) services on an agreed upon date for all Department PBBs and upon commissioning of any new PBBs. The Contractor will participate in the commissioning of the new PBBs to discover installation issues and give submissions for the discrepancy/punch list. The Contractor will not be responsible for punch list items after each PBB is handed off to Department. The Department may enter into a separate agreement with the PBB manufacturer for the Contractor to perform warranty work.

E. RESPONSIBILITIES OF CONTRACTOR

1. The Contractor will be responsible for the maintenance and continued in-service profile for all Department owned PBBs, plus all auxiliary systems relating to the PBBs including, but not limited to: all 400Hz units, 400Hz cable hoist PCA units, PCA hose trolleys, wheelchair lift assemblies, PBB stairs, potable water cabinets and bag slide assemblies. All PBBs and their subsystems will be maintained to like new condition, meeting all of the original manufacturer's specifications in operation, parts, and capabilities.
2. The Contractor will be responsible for scheduling and performing all preventive maintenance and corrective tasks as well as all non-scheduled maintenance tasks. Taking a PBB out of service for maintenance will be scheduled/coordinated through Airside Operations Office and the Resource Management Office.

3. The Contractor will be responsible for responding to and rectifying all fault conditions whether from wear and tear or caused by operational error by airline personnel throughout all operational periods. From the time of the notification, the contractor has five (5) minutes to arrive at the PBB and begin making repairs.
4. The Contractor will be solely responsible and accountable for employees including; interviewing, hiring, training, disciplining, obtaining airport security badging including federal security area (FIS), parking, taxes, salaries, benefits, etc.
5. The Contractor will be responsible for maintaining twenty-four (24) hour a day, seven (7) days a week contact with the Department though the use of a mobile phone as a primary method and by email as a secondary method of communications.
6. The Contractor will have a certified Heating, Ventilation, and Air Conditioning (HVAC) technician with at least three (3) years of experience working as a certified technician on staff, at all times.
7. The Contractor will be responsible for writing and submitting all required or requested daily, weekly, and monthly status reports to the Department.
8. The Contractor will be responsible for accurately recording and maintaining a spare parts inventory in which the Department is responsible for the reimbursement of all spare parts.
9. The Contractor will be responsible for the procurement of all basic and specialty tools and equipment required to perform all maintenance and repairs of the PBBs and the related auxiliary systems. The Contractor will also be responsible for all consumable materials and supplies as well as all safety Personal Protective Equipment (PPE) required for Contractor's employees. Department will provide PBB safety frame stand(s). Contractor will maintain the frame and store it in a Department approved location.
10. The Contractor will be responsible to provide and maintain all Contractors' vehicles which includes, but is not limited to; lifts,

forklift trucks, golf carts, truck(s), etc.

11. The Contractor will have current fall restraint system certification throughout the term of the Agreement.
12. For all company owned vehicles operated at SMF the Contractor will be responsible for acquiring the proper insurance, airport permits, company decals and configuring all vehicles for the environment they operate in.
13. The Contractor will be expected to cooperate in all respects with the airlines, Transportation Security Administration (TSA), and any other stakeholders (for example, but not limited to, Customs and Border Protection, Food and Drug Administration, etc.) and/or their representatives as well as Department personnel.
14. The Contractor will participate in meetings with Department and airlines if operational needs require such meetings.

F. MAINTENANCE REQUIREMENTS AND SERVICES

1. Operations and Maintenance
 - a. The Contractor will assume the responsibility to provide ongoing training and supervise all Contractor's maintenance personnel and provide all materials, equipment, and services required to accomplish the tasks specified to assure that all Department equipment provides safe and reliable service, meeting the minimum performance criteria at all times which is specified herein under "PBB Key Performance and Metrics".
 - b. All maintenance services on Department equipment shall at a minimum be performed in accordance with the manufacturer's operation and maintenance manuals. The maintenance services under this contract shall include, but not be limited to, furnishing all labor, tools, equipment, and material necessary to accomplish the inspection, cleaning, adjustment, preventive maintenance, lubrication, repair, testing/replacement of parts and equipment, supplying of consumables and expendables, and repair of spare equipment for the Department equipment.

- c. Whenever PBB or auxiliary subsystem equipment service is interrupted, restoration of service shall be of the highest priority and shall be accomplished in accordance with the manufacturer's specifications and recommendations.

2. System Maintenance

- a. For each of the Department owned PBBs and the related auxiliary subsystems, the following types of maintenance shall be performed:
 - i. Scheduled or planned maintenance including inspections and Preventive Maintenance (PM) - routine inspections and tests designed to identify any unusual or abnormal equipment condition. PM activities required to keep the equipment operating at the prescribed levels of safety, efficiency and reliability, which are performed on a regular basis at specified intervals. Scheduled maintenance activities shall, at minimum, be performed as included in the maintenance schedule provided by the equipment manufacturer. Preventative measures shall also include routine cleaning of PBB electrical panels, fittings, lubrication points, chains, cables, operator consoles, as well as the surrounding areas as required to keep equipment free from any trash, dirt and/or debris, and to prevent Foreign Object Debris (FOD). Additionally, the PMs will include a monthly inspection of the PBBs for pests, including birds, insects and rodents. There will be a bi-annual inspection and cleaning of the exterior of the PBBs and related components that maintains the appearance of the PBBs being free from mold and dirt build up. Any corrective work found during a scheduled inspection may be considered scheduled or planned work and recorded within the Contractor's Computer Maintenance Management System (CMMS) system. Photos will be attached in the CMMS system for documentation of inspections and maintenance.

- ii. Non-Scheduled Corrective Maintenance (CM) - Any corrective measure or repair needed to repair a failure that is discovered by an operator during use of a PBB or auxiliary system. This may or may not have any adverse effects of the normal PBB or its subsystem equipment operation. Non-scheduled maintenance may be required as a result of unsatisfactory conditions discovered because of an operational failure. Non-scheduled maintenance shall be performed on a priority basis and operational downtime will be recorded in the CMMS. Non-scheduled corrective maintenance will also include any measure or repair that may be required because of ordinary wear and tear. All corrective maintenance that requires taking the PBB out of service will be scheduled via Airside Operations and the Resource Management Office. Airside Operations must be notified when the PBB is taken out of service and when it is returned to service.
 - iii. Other Maintenance - Other maintenance includes; warranty repairs, Contractor owned testing equipment and its tools, all necessary metal welding or fabrication, and any Original Equipment Manufacturing (OEM) service bulletin recommended or recall repairs.
- b. The reliability of the PBBs is highly dependent on a reliable maintenance program. The PBBs shall be thoroughly inspected at regular intervals and preventive measures shall be taken to prevent major breakdowns. It is the Contractor's responsibility to maintain up to date manuals at all times to ensure all recommendations, service alerts/bulletins and technical advisories are implemented.

3. Contractor Management and Administration Responsibilities

- a. Supervise and schedule maintenance work for all Contractor employees. Staffing should be scheduled for twenty-four (24) hours a day, seven (7) days each week coverage including holidays as per the agreed upon staffing plan. The Contractor will have on call staff that can be called in to assist in emergency repair if onsite

staffing is not sufficient. The Contractor's on site staff shall respond within five (5) minutes of a notification from the Department. The Contractor's off site staff shall respond within one (1) hour of a notification from the Department.

- b. Provide all personnel, tools, supplies, materials, and PPE necessary to perform the administration, operation and maintenance of all Department owned PBBs and related auxiliary subsystems.
- c. Store and maintain Department owned spare parts inventory, including critical spares and parts with a long lead time. Items that are not considered bench or rolling stock will be stored at the SMF's Central Warehouse.
- d. Provide the Department with a monthly spare parts inventory count.
- e. Notify the Department of parts in need of repair or for spare parts replenishment. The Contractor's Site Manager (Site Manager) will inform the Department in writing detailing part description, manufacturer part number, pricing and inform the urgency of the purchase. The Department will approve the Contractor to purchase spare parts. All spare parts are the property of the Department and remaining parts at the end of the contract are to be turned over to the Department. PBB spare part invoices will be itemized in a monthly invoice to Department, for reimbursement to the Contractor.
- f. The Contractor will procure spare parts that have been approved by Department. After approval the Contractor will order spare parts, and invoice Department for parts with no more than a five percent (5%) mark up.
- g. Acquire and provide all technical information and advanced training of Contractor's personnel. All Technical Manuals (TM) will be maintained by the Contractor with digital copies of TMs given to the Department.

and maintenance performance metrics. This will include but is not limited to the rate of corrective/planned maintenance, inspections and PM completion rates, and asset down times.

- vi. Monthly spare parts inventory reports are to be submitted monthly by email distribution to the Department. These inventory reports are to be updated and kept current as spare parts are removed from or added to inventory.
- vii. The Contractor will be responsible for developing and submitting any other additional daily, weekly, monthly, and annual reports as requested by the Department.
- viii. Any additional data collected on the CMMS such as employee labor, scheduled and completed maintenance, and PM schedule will be provided to the Department's Project Manager at any time as requested by the Department.

b. Meetings

- i. The Site Manager shall meet with the Project Manager weekly. During the meeting the CMMS failure and performance reports shall be reviewed in order to monitor system performance and Agreement compliance. Suggestions for continuous improvements shall be discussed as well as spare parts and any other support needed. During this time, staffing, housekeeping and any other administrative needs may be discussed. The meeting time and day will be established by the Contractor. The Contractor shall write a summary of the discussion points in a meeting minute's format and submit to the Department within twenty-four (24) hours.
- ii. The Contractor shall attend a monthly stakeholder meeting and be prepared to answer any questions from the stakeholders and Department concerning the PBBs. The Contractor shall also attend any

additional meetings that may come up as requested by the Department or airline staff.

c. Communications

- i. The Site Manager shall be available twenty-four (24) hours a day seven (7) days a week with the Project Manager by phone or email. The Site Manager shall inform the Department when there is any leave of absence taken and who will fill-in as Site Manager during an absence. The Contractor's on-site staff shall respond within five (5) minutes of a notification from the Department. The Contractor's off-site staff shall respond within one (1) hour of a notification from the Department.
- ii. The Contractor shall call Airside Operations each time a PBB or related auxiliary equipment will hinder the airline's use of the equipment. The Contractor will keep a written log of PBB issues, resolution of issues and repairs and when calls and updates were made to the Airside Operations or the ACC.
- iii. The Contractor shall call Airside Operations each time a PBB or related auxiliary equipment will hinder the airline's use of the equipment. The Contractor will keep a written log of PBB issues, resolution of issues and repairs and when calls and updates were made to the Airside Operations or the ACC.

G. TRAINING

1. The Contractor will employ and train all maintenance personnel as required for the performance of this Agreement. Department requires that PBB technicians are cross-trained in order to better serve airport customers, have proficient knowledge and understanding of all aspects of PBBs, and be able to skillfully provide twenty-four (24) hours a day seven (7) days a week coverage.
2. The Contractor will ensure that all employees who will be involved in the maintenance of the Department equipment have a thorough understanding of the system and how to safely and

effectively operate and maintain the equipment as required for their respective position.

3. The Contractor will be required to provide as needed "train the trainer" training for airline employees on the proper operating procedures for the PBBs, and will maintain and provide to the Department training reports for each person trained.

H. GENERAL SAFETY

During the term of this Agreement, the Contractor will be responsible to provide tools, materials, resources, training and any and all services required to ensure that the PBBs can be safely operated and maintained in conformance with the O&M manuals, industry standards, and all local, State, and federal safety guidelines.

I. PBB KEY PERFORMANCE AND METRICS

1. Maintain a ratio of 90% of planned work versus 10% corrective work. Planned work includes; inspections, preventive maintenance, repairs, corrected work discovered from a Contractor inspection, and warranty work. Corrective work includes: faults or failures of the system due to normal wear and tear. Corrective work will not include operator caused faults or failures. Example: 15) corrective work orders/175 planned work orders = 8.6% (91.4% planned vs. 8.6% requested)
2. Maintain a monthly inspection and preventive maintenance work order completion rate of 97% or greater. This will be calculated by dividing the monthly total number of inspection and PM work orders by the total monthly inspection and PM work orders. Example: 97 completed/100 total = 97% completion rate. Maintain the total uptime of all PBBs and systems at 99% or greater. This will be calculated by dividing the monthly total number of hours of downtime by the monthly total hours of all PBB operational time. Example: 8 hours of down time/500 total hours of operational hours = 1.6% (98.4% uptime). A percentage of the monthly invoice will be deducted for falling below the 99% availability as follows: For any calendar month of this Agreement that the PBBs do not achieve a performance criteria of 99% of availability, the table below shall be used as a "Payment Factor" to calculate the final

monthly payment.

Performance Table

Performance Requirement	Payment Factor
99.0 – 100	1.000
98.9 – 98.99	0.991
98.8 – 98.89	0.981
98.7 – 98.79	0.971
98.6 – 98.69	0.961
98.5 – 98.59	0.951
98.4 – 98.49	0.941
98.3 – 98.39	0.931
98.2 – 98.29	0.921

3. Operational time is defined as the time when a PBB is being used or is scheduled to be used. As an example: a PBB is actively being used from the time an airline preps for a flight until the plane taxis away. A PBB is not in use between flights or at night when the PBB is pulled away from a Remain Overnight (RON) aircraft. If a planned flight has to be moved from one PBB to another PBB because of a maintenance issue, then the operational time of the inoperable PBB is affected (exceptions will be made in situations where airline staff or an outside force has damaged the PBB).
4. The Department shall audit the physical presence of the spare parts compared to the spare parts inventory report. All spare parts will be accounted for, whether in stock or on order.
5. The Contractor shall work with the Department to establish and implement any further PBB metrics so that continuous improvement is constantly obtained.

J. CONTRACTOR PERSONNEL AND OTHER ADMINISTRATIVE RESPONSIBILITIES

1. Contractor is responsible for all decisions regarding safe Department equipment operation, as coordinated with and approved by Department and the airlines. Department and the airlines must be notified of fault conditions and equipment failure immediately, as well as the estimated time of repair, this will be completed by contacting Airside Operations.

2. Contractor is responsible for dispatching personnel as necessary to correct fault conditions and equipment failure and to correct mechanical failures, electrical failures and control system faults and failures. A failure or fault is defined as any condition that causes the equipment to become non-functional or non-compliant to the performance specification.
3. Contractor is responsible for maintaining all Department equipment, parts, supplies and materials in good working order, properly maintained and in a secure location for the duration of the Agreement.
4. Contractor is responsible for complying with Department security and badging requirements. All employees must have badges as required for unescorted access to the appropriate maintenance areas. This also includes obtaining FIS endorsement added to employees' badges to have access to PBBs being used on international flights.
5. Contractor is responsible for the appearance of personnel and Contractor's personnel shall be clean and neat and their conduct courteous. Contractor shall furnish to every employee appropriate uniforms with the proper identification of the Contractor, as approved by Department, which shall be worn at all times while on duty.
6. Contractor is responsible to provide escorting for any and all O&M support and adhere to Security Identification Display Area (SIDA) escorting guidelines.

K. REPORTING OF INCIDENTS, ACCIDENTS, AND BREACH OF RULES

Contractor will call Airside Operations and report in writing to the Department all incidents, accidents, and breach of rules arising out of or in connection with the services which result in injury or property damage, giving full details and witness statements. In addition, if death or serious injury occurs the same shall be reported immediately to Department by the Contractor. Furthermore, if any airline is responsible for incidents, accidents, and damage to property, then the same measures must be taken to report these issues by calling immediately and reporting to Airside Operations. The documentation will be provided to the Department.

L. ADDITIONAL SERVICE

1. Contractor's responsibilities:
 - a. Contractor will be responsible for making repairs to the interior finishing of the PBB tunnels. This includes but is not limited to interior coatings including vinyl/phenolic wall coverings and paint as well as flooring including carpeting, tile and subfloors.
 - b. Contractor will not be responsible for network and communication lines and accessories.
 - c. Contractor will be responsible for making repairs and maintaining the PPB and tunnel exterior. This includes but not limited to roof, paint, weather stripping, fans, and any HVAC the bridge may have.

**EXHIBIT B to Agreement
between the COUNTY OF SACRAMENTO
hereinafter referred to as "COUNTY,"
and _____
hereinafter referred to as "CONTRACTOR"**

INSURANCE REQUIREMENTS FOR CONTRACTORS

I. INSURANCE

Without limiting CONTRACTOR'S indemnification, CONTRACTOR shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Agreement by the CONTRACTOR, its agents, representatives or employees. COUNTY shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If in the opinion of the County Risk Manager, insurance provisions in these requirements do not provide adequate protection for COUNTY and for members of the public, COUNTY may require CONTRACTOR to obtain insurance sufficient in coverage, form and amount to provide adequate protection. COUNTY'S requirements shall be reasonable but shall be imposed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.

II. VERIFICATION OF COVERAGE

CONTRACTOR shall furnish the COUNTY with certificates evidencing coverage required below. **Copies of required endorsements must be attached to provided certificates.** The County Risk Manager may approve self-insurance programs in lieu of required policies of insurance if, in the opinion of the Risk Manager, the interests of the COUNTY and the general public are adequately protected. All certificates, evidences of self-insurance, and additional insured endorsements are to be received and approved by the County before performance commences. The COUNTY reserves the right to require that CONTRACTOR provide complete, certified copies of any policy of insurance offered in compliance with these specifications.

III. MINIMUM SCOPE OF INSURANCE

Coverage shall be at least as broad as:

A. GENERAL LIABILITY: Insurance Services Office's Commercial

General Liability occurrence coverage form CG 0001. Including, but not limited to Premises/Operations, Products/Completed Operations, Contractual, and Personal & Advertising Injury, without additional exclusions or limitations, unless approved by the County Risk Manager.

B. AUTOMOBILE LIABILITY: Insurance Services Office's Commercial Automobile Liability coverage form CA 0001.

1. Commercial Automobile Liability: auto coverage symbol "1" (any auto) for corporate/business owned vehicles. If there are no owned or leased vehicles, symbols 8 and 9 for non-owned and hired autos shall apply.
2. Personal Lines automobile insurance shall apply if vehicles are individually owned.

C. WORKERS' COMPENSATION: Statutory requirements of the State of California and Employer's Liability Insurance.

D. PROFESSIONAL LIABILITY or Errors and Omissions Liability insurance appropriate to the CONTRACTOR'S profession.

E. UMBRELLA or Excess Liability policies are acceptable where the need for higher liability limits is noted in the Minimum Limits of Insurance and shall provide liability coverages that at least follow form over the underlying insurance requirements where necessary for Commercial General Liability, Commercial Automobile Liability, Employers' Liability, and any other liability coverage (other than Professional Liability) designated under the Minimum Scope of Insurance.

IV. MINIMUM LIMITS OF INSURANCE

CONTRACTOR shall maintain limits no less than:

A. General Liability shall be on an Occurrence basis (as opposed to Claims Made basis). Minimum limits and structure shall be:

General Aggregate:	\$10,000,000
Products Comp/Op Aggregate:	\$10,000,000
Personal & Adv. Injury:	\$10,000,000
Each Occurrence:	\$10,000,000
Fire Damage:	\$100,000

CONTRACTORS and CONTRACTOR'S subcontractors engaged in other projects of construction shall have their general liability Aggregate Limit of Insurance endorsed to apply separately to each job site or project, as provided for by Insurance Services Office form CG-2503 Amendment-Aggregate Limits of Insurance (Per Project).

B. AUTOMOBILE LIABILITY:

1. Commercial Automobile Liability for Corporate/business owned vehicles including non-owned and hired, \$5,000,000 Combined Single Limit.
2. Personal Lines Automobile Liability for Individually owned vehicles, \$250,000 per person, \$500,000 each accident, \$100,000 property damage.

C. WORKERS' COMPENSATION: Statutory.

D. EMPLOYER'S LIABILITY: \$1,000,000 per accident for bodily injury or disease.

E. PROFESSIONAL LIABILITY OR ERRORS AND OMISSIONS LIABILITY: \$10,000,000 per claim and aggregate.

V. DEDUCTIBLES AND SELF-INSURED RETENTION

Any deductibles or self-insured retention that apply to any insurance required by this Agreement must be declared and approved by the COUNTY.

VI. CLAIMS MADE PROFESSIONAL LIABILITY INSURANCE

If professional liability coverage is written on a Claims Made form:

- A. The "Retro Date" must be shown, and must be on or before the date of the Agreement or the beginning of Agreement performance by CONTRACTOR.
- B. Insurance must be maintained and evidence of insurance must be provided for at least one (1) year after completion of the Agreement.
- C. If coverage is cancelled or non-renewed, and not replaced with another claims made policy form with a "Retro Date" prior to the

contract effective date, the CONTRACTOR must purchase "extended reporting" coverage for a minimum of one (1) year after completion of the Agreement.

VII. OTHER INSURANCE PROVISIONS

The insurance policies required in this Agreement are to contain, or be endorsed to contain, as applicable, the following provision:

- A. All Policies:
1. ACCEPTABILITY OF INSURERS: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A-VII. The County Risk Manager may waive or alter this requirement, or accept self-insurance in lieu of any required policy of insurance if, in the opinion of the Risk Manager, the interests of the COUNTY and the general public are adequately protected.
 2. MAINTENANCE OF INSURANCE COVERAGE: The CONTRACTOR shall maintain all insurance coverages and limits in place at all times and provide the COUNTY with evidence of each policy's renewal ten (10) days in advance of its anniversary date.
 3. CONTRACTOR is required by this Agreement to immediately notify COUNTY if they receive a communication from their insurance carrier or agent that any required insurance is to be canceled, non-renewed, reduced in scope or limits or otherwise materially changed. CONTRACTOR shall provide evidence that such cancelled or non-renewed or otherwise materially changed insurance has been replaced or its cancellation notice withdrawn without any interruption in coverage, scope or limits. Failure to maintain required insurance in force shall be considered a material breach of the Agreement.

VIII. COMMERCIAL GENERAL LIABILITY AND/OR COMMERCIAL AUTOMOBILE LIABILITY

- A. ADDITIONAL INSURED STATUS: The COUNTY, its officers, directors, officials, employees, and volunteers are to be endorsed as additional insureds as respects: liability arising out of activities performed by or on behalf of the CONTRACTOR; products and completed operations of the CONTRACTOR; premises owned, occupied or used by the CONTRACTOR; or automobiles owned, leased, hired or borrowed by the CONTRACTOR. The coverage shall contain no endorsed limitations

on the scope of protection afforded to the COUNTY, its officers, directors, officials, employees, or volunteers.

- B. CIVIL CODE PROVISION: Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under Subdivision (b) of Section 2782 of the Civil Code.
- C. PRIMARY INSURANCE: For any claims related to this Agreement, the CONTRACTOR'S insurance coverage shall be endorsed to be primary insurance as respects the COUNTY, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, directors, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
- D. SEVERABILITY OF INTEREST: The CONTRACTOR'S insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- E. SUBCONTRACTORS: CONTRACTOR shall be responsible for the acts and omissions of all its subcontractors and additional insured endorsements as provided by CONTRACTOR'S subcontractor.

IX. WORKERS' COMPENSATION

Workers' Compensation Waiver of Subrogation: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against the COUNTY, its officers, directors, officials, employees, agents or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by the CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against COUNTY, its officers, directors, officials, employees, agents or volunteers.

X. PROPERTY

Course of Construction (COC) Waiver of Subrogation: Any Course of Construction (COC) policies maintained by the CONTRACTOR in performance of the Agreement shall contain the following provisions:

- A. The COUNTY shall be named as loss payee.

- B. The Insurer shall waive all rights of subrogation against the COUNTY.

Inland Marine Waiver of Subrogation: Any Inland Marine insurance policies maintained by the CONTRACTOR in performance of the Agreement shall be endorsed to state that the insurer shall waive all rights of subrogation against the COUNTY.

XI. NOTIFICATION OF CLAIM

If any claim for damages is filed with CONTRACTOR or if any lawsuit is instituted against CONTRACTOR, that arise out of or are in any way connected with CONTRACTOR'S performance under this Agreement and that in any way, directly or indirectly, contingently or otherwise, affect or might reasonably affect COUNTY, CONTRACTOR shall give prompt and timely notice thereof to COUNTY. Notice shall be prompt and timely if given within thirty (30) days following the date of receipt of a claim or ten (10) days following the date of service of process of a lawsuit.

**FAA
Airports**

ASSURANCES AIRPORT SPONSORS

A. General.

1. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.
2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.
3. Upon acceptance of this grant offer by the sponsor, these assurances are incorporated in and become part of this Grant Agreement.

B. Duration and Applicability.

1. Airport development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor.

The terms, conditions and assurances of this Grant Agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport. There shall be no limit on the duration of the terms, conditions, and assurances with respect to real property acquired with federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.

2. Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor.

The preceding paragraph (1) also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.

3. Airport Planning Undertaken by a Sponsor.

Unless otherwise specified in this Grant Agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 23, 25, 30, 32, 33, 34, and 37 in Section C apply to planning projects. The terms, conditions, and

assurances of this Grant Agreement shall remain in full force and effect during the life of the project; there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport.

C. Sponsor Certification.

The sponsor hereby assures and certifies, with respect to this grant that:

1. General Federal Requirements

It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance, and use of Federal funds for this Grant including but not limited to the following:

FOOTNOTES TO ASSURANCE (C)(1)

¹ These laws do not apply to airport planning sponsors.

² These laws do not apply to private sponsors.

³ 2 CFR Part 200 contains requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation shall

apply where applicable to private sponsors receiving Federal assistance under Title 49, United States Code.

- ⁴ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁵ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

SPECIFIC ASSURANCES

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this Grant Agreement.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this Grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this Grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this Grant Agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this Grant Agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this Grant Agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere

with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

- b. Subject to the FAA Act of 2018, Public Law 115-254, Section 163, it will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this Grant Agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this Grant Agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this Grant Agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to ensure that the airport will be operated and maintained in accordance with Title 49, United States Code, the regulations and the terms, conditions and assurances in this Grant Agreement and shall ensure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance-Management.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under 49 U.S.C. § 44706, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this Grant, the total cost of the project in connection with which this Grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The

accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.

- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this Grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this Grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this Grant Agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor under 40 U.S.C. §§ 3141-3144, 3146, and 3147, Public Building, Property, and Works), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this Grant Agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in 49 U.S.C. § 47112. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this Grant Agreement, and, upon approval of the Secretary, shall be incorporated into this Grant Agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this Grant Agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state, and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for:
 1. Operating the airport's aeronautical facilities whenever required;
 2. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 3. Promptly notifying pilots of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood, or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or

facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.

- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to:
 - 1. Furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2. Charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
- d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
- e. Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable

classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.

- f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance, repair, and fueling) that it may choose to perform.
- g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
- h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
- i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for

which a Grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 1. If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 2. If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 3. Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at 49 U.S.C. § 47102), if the FAA determines the airport sponsor meets the requirements set forth in Section 813 of Public Law 112-95.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of 49 U.S.C. § 47107.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the

public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;

- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this Grant Agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 1. all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 2. all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that:

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, it will keep up to date at all times an airport layout plan of the airport showing:
 1. boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 2. the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 3. the location of all existing and proposed non-aviation areas and of all existing improvements thereon; and
 4. all proposed and existing access points used to taxi aircraft across the airport's property boundary.

Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.

- b. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, if a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary:
 1. eliminate such adverse effect in a manner approved by the Secretary; or
 2. bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, color, and national origin (including limited English proficiency) in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4); creed and sex (including sexual orientation and gender identity) per 49 U.S.C. § 47123 and related requirements; age per the Age Discrimination Act of 1975 and related requirements; or disability per the Americans with Disabilities Act of 1990 and related requirements, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any program and activity conducted with, or benefiting from, funds received from this Grant.

- a. Using the definitions of activity, facility, and program as found and defined in 49 CFR §§ 21.23(b) and 21.23(e), the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by or pursuant to these assurances.
- b. Applicability
 - 1. Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor’s program or activities, these requirements extend to all of the sponsor’s programs and activities.
 - 2. Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter, or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
 - 3. Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1. So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
- 2. So long as the sponsor retains ownership or possession of the property.

d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this Grant Agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

“The (**[Selection Criteria: Sponsor Name]**), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, [select businesses, or disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.”

e. Required Contract Provisions.

- 1. It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the Department of Transportation (DOT), and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.

2. It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
3. It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
4. It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a. For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 1. Reinvestment in an approved noise compatibility project;
 2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);
 3. Reinvestment in an approved airport development project that is eligible for grant funding under 49 U.S.C. §§ 47114, 47115, or 47117;
 4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
 5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.

If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development

project that would otherwise be eligible for grant funding or any permitted use of airport revenue.

- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 1. Reinvestment in an approved noise compatibility project;
 2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);
 3. Reinvestment in an approved airport development project that is eligible for grant funding under 49 U.S.C. §§ 47114, 47115, or 47117;
 4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
 5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.
- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a), (b), or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

If any phase of such project has received Federal funds under Chapter 471 subchapter 1 of Title 49 U.S.C., it will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services in the same manner as a contract for architectural and engineering services is negotiated under Chapter 11 of Title 40 U.S.C., or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this Grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by

the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications.

It will carry out any project funded under an Airport Improvement Program Grant in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, current FAA Advisory Circulars (<https://www.faa.gov/airports/aip/media/aip-pfc-checklist.pdf>) for AIP projects as of [Selection Criteria: Project Application Date].

35. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C of 49 CFR Part 24 and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin, or sex, in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. § 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. §§ 3801-3809, 3812).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in 49 U.S.C. § 47102) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that:
 1. Describes the requests;
 2. Provides an explanation as to why the requests could not be accommodated; and
 3. Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.

FAA CONTRACT PROVISIONS

COVER PAGE

REQUIRED FEDERAL LANGUAGE FOR NON-AIP CONTRACTS

A. GENERAL CIVIL RIGHTS PROVISIONS

The contractor agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision binds the contractor and sub-tier contractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

B. TITLE VI SOLICITATION NOTICE

The County in accordance with the provisions of Title VI of the A6. A6.3.1 Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

C. COMPLIANCE WITH NONDISCRIMINATION REQUIREMENTS

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. Non-discrimination: The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including

employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Nondiscrimination Acts And Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

- a. Withholding payments to the contractor under the contract until the contractor complies; and/or
- b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a

means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

D. TITLE VI LIST OF PERTINENT NONDISCRIMINATION ACTS AND AUTHORITIES

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms

“programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration’s Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

E. FEDERAL FAIR LABOR STANDARDS ACT

All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. The [contractor | consultant] has full responsibility to monitor compliance to the referenced statute or

regulation. The [contractor | consultant] must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

F. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

All contracts and subcontracts that result from this solicitation incorporate by reference the requirements of 29 CFR Part 1910 with the same force and effect as if given in full text. Contractor must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The Contractor retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR Part 1910). Contractor must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

**COUNTY OF SACRAMENTO
CONTRACTOR CERTIFICATION OF COMPLIANCE FORM**

WHEREAS it is in the best interest of Sacramento County that those entities with whom the County does business demonstrate financial responsibility, integrity and lawfulness, it is inequitable for those entities with whom the County does business to receive County funds while failing to pay court-ordered child, family and spousal support which shifts the support of their dependents onto the public treasury.

Therefore, in order to assist the Sacramento County Department of Child Support Services in its efforts to collect unpaid court-ordered child, family and spousal support orders, the following certification must be provided by all entities with whom the County does business:

CONTRACTOR hereby certifies that either:

- _____ (a) the CONTRACTOR is a government or non-profit entity (exempt), or
- _____ (b) the CONTRACTOR has no Principal Owners (25% or more) (exempt), or
- _____ (c) each Principal Owner (25% or more), does not have any existing child support orders, or
- _____ (d) CONTRACTOR'S Principal Owners are currently in substantial compliance with any court-ordered child, family and spousal support order, including orders to provide current residence address, employment information, and whether dependent health insurance coverage is available. If not in compliance, Principal Owner has become current or has arranged a payment schedule with the Department of Child Support Services or the court.

New CONTRACTOR shall certify that each of the following statements is true:

- a. CONTRACTOR has fully complied with all applicable state and federal reporting requirements relating to employment reporting for its employees; and
- b. CONTRACTOR has fully complied with all lawfully served wage and earnings assignment orders and notices of assignment and will continue to maintain compliance.

NOTE: Failure to comply with state and federal reporting requirements regarding a contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment constitutes a default under the contract; and failure to cure the default within 90 days of notice by the County shall be grounds for termination of the contract. Principal Owners can contact the Sacramento Department of Child Support Services at 1-866-901-3212, by writing to P.O. Box 269112, Sacramento, 95826-9112, or via the Customer Connect website at www.childsup.ca.gov .

Privacy Act Statement

Authority: 6 U.S.C. § 1140, 46 U.S.C. § 70105; 49 U.S.C §§ 106, 114, 5103a, 40103(b)(3), 40113, 44903, 44935-44936, 44939 and 46105; the Implementing Recommendations of the 9/11 Commission Act of 2007, § 1520 (121 Stat. 444, Public Law 110-53, August 3, 2007); FAA Reauthorization Act of 2018, §1934(c) (132 Stat. 3186, Public Law 115-254, Oct 5, 2018), and Executive Order 9397 (November 22, 1943), as amended.

Purpose: The Department of Homeland Security (DHS) will use the information to conduct a security threat assessment. If applicable, your fingerprints and associated information will be provided to the Federal Bureau of Investigation (FBI) for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems including civil, criminal, and latent fingerprint repositories. The FBI may retain your fingerprints and associated information in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI. DHS will also transmit your fingerprints for enrollment into the US-VISITS's Automated Biometrics Identification System (IDENT).

DHS will also maintain a national, centralized revocation database of individuals who have had airport- or aircraft operator- issued identification media revoked for noncompliance with aviation security requirements. DHS has established a process to allow an individual whose name is mistakenly entered into the database to correct the record and have the individual's name expunged from the database. If an individual who is listed in the centralized database wishes to pursue expungement due to mistaken identity, the individual must send an email to TSA at Aviation.workers@tsa.dhs.gov

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C § 522a(b) of the Privacy Act, all or a portion of the records or information contained in this system may be disclosed outside DHS as a routine use pursuant to 5 U.S.C § 522a(b)(3) including with third parties during the course of a security threat assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine used identified in the TSA system of records notice (SORN) DHS/TSA 002, Transportation Security Threat Assessment System. For as long as your fingerprints and associated information are retained in NGI, your information may be disclosed pursuant to your consent or without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses.

Disclosure: Pursuant to § 1934(c) of the FAA Reauthorization Act of 2018, TSA is required to collect your SSN on applications for Secure Identification Display Area (SIDA) credentials. For SIDA applications, failure to provide this information may result in denial of a credentials. For other aviation credentials, although furnishing your SSN is voluntary, if you do not provide the information requested, DHS may be unable to complete your security threat assessment.
