Addendum #1 to the Automated Teller Machine Request for Proposals (RFP) includes answers to questions received prior to the mandatory pre-proposal meeting.

The Sacramento County Department of Airports (Department) received one (1) question prior to the January 25, 2023 mandatory pre-proposal RFP meeting. Listed below is the submitted question along with the Department's response. The questions are represented in the original format exactly as submitted to the County. No spelling or grammatical corrections were made to any question.

1. Thank you for the time on the phone today. As I mentioned Bank of America is interested in attending the Pre-Proposal Meeting, and we are hoping it can be done remotely via phone, or video conference vs in person. Any accommodation that The Concessions Department can make for this would be greatly appreciated.

Answer: The January 25, 2023 mandatory pre-proposal meeting will be held in person and virtually. The virtual link will be posted to the website and sent out January 24, 2023 to those who have RSVP'd. An optional tour of the Sacramento International Airport will be available after the presentation. Please indicate in your RSVP if you will be participating in the optional tour.
