**Subject: Addendum #3 – Commercial Development and Operating Agreement
Request For Proposals
Sacramento International Airport**

Addendum #3 to the Commercial Development and Operating Agreement Request for Proposals (RFP) at Sacramento International Airport (Airport) includes:

- Extension to the answers for flood zones as indicated in Addendum #2
- Powerline Interchange information

-
1. Addendum #2 indicated that answers for flood zones would be provided no later than May 3, 2018. At this time, further information is not available, but will be provided in a separate Addendum as soon as it becomes available.
 2. Additional information regarding the Powerline Road interchange will be provided in a separate Addendum as soon as the information becomes available.
