Hello and thank you for visiting the Sacramento County Department of Airports Lost and Found. Our mission is to provide you with the best customer service possible. With this in mind, please take a few minutes to help us help you so that we can service your request in a timely manner and return your lost item to you.

If you think you have lost your item on the aircraft, at the ticket counter or left your baggage on the carousel, please contact your airline's baggage service office.

If you have received a TSA notice in your checked baggage, please contact your airline's baggage claim service office. If you need to file a claim with TSA please call (916) 285-4407.

Our office receives lost items left on airport grounds, shuttle buses and at security checkpoints. If you have lost an item at any of these locations, please use our online system to report it.

We will notify you if the reported item was found and provide instructions on where to claim your lost property.

Thank you
